

KitchenAid ARTISAN K400 Blender 5KSB4026

- **Stable die-cast metal base and die-cast metal knob**
Sturdy, stable, durable and easy to clean
- **Discover more possibilities with the blender optional accessories**:** 500 ml personal jar, 200 ml small batch jar and 1 L citrus press
To create more tastes

- **KitchenAid brand's expertly crafted 3-part blending system: 1.5 peak* HP motor (with Intelli-Speed), unique asymmetric blade and ribbed jar**
These 3 parts work together in harmony to power through tough ingredients for smoother results and to produce perfect texture and taste
 - **Adaptive motor and Intelli-Speed motor control**
Senses contents and maintains the optimal speed to power through all ingredients
 - **Unique asymmetric stainless steel blade, sharpened and precisely angled**
Blends at 4 distinct angles to pull ingredients into the center to power through the toughest ingredients
 - **1.4 L ribbed glass jar**
Folds contents back onto the blades to create a powerful blending vortex to easily tackle tough ingredients
- **Simple intuitive controls: one variable 5 speed dial including Pulse, 3 preset recipe programs (ice crush, icy drinks, smoothie) and self-cleaning cycles**
To blend the best-tasting creations or to control taste and texture with a range of variable speeds
- **1.4 L new blender design available in a large number of fashionable colours**
To match everyone's personality and kitchen

*Motor horsepower for the blender motor was measured using a dynamometer, a machine that laboratories routinely use to measure the mechanical power of motors. Our 1.5 peak horsepower (HP) motor reference reflects the horsepower output of the motor itself and not the Blender's horsepower output in the blender jar. As with any blender, the power output in the jar is not the same as the horsepower of the motor itself.

**Sold separately.

KitchenAid ARTISAN K400 Blender 5KSB4026

TECHNICAL DATA

Wattage		1200 W
Power rating		1.5 Peak HP Motor*
Voltage		220 - 240 V
Frequency		50 / 60 Hz
Motor RPM		600 - 16000
Speeds		5 variable speeds, Pulse, 3-pre-programed and cleaning cycles
Capacity pitcher	working capacity	1.4 L
Style jar		square, single wall jar
Material body		die-cast metal
Material coupler		metal
Product dimensions	H × W × D	40.1 × 19.28 × 22.91 cm
Packaging dimensions	H × W × D	43.18 × 27.94 × 30.48 cm
Master pack dimensions	H × W × D	44.45 × 29.21 × 62.23 cm
Net weight		6.62 kg
Gross weight		7.48 kg
Master pack gross weight		15.65 kg
Master pack		2 units
Cord length		91 cm (cord wrap underneath base)
Country of origin		Designed, engineered and assembled in U.S.

KitchenAid ARTISAN K400 Blender 5KSB4026

STANDARD ACCESSORIES

1.4 L graded, ribbed glass jar

5KSB2048JGA

Square jar shape with enhanced inner ribs increase the turbulence and power inside the jar.

The raised inside corners force ingredients into the blending vortex and the beveled upper corners make pouring easy.

Designed and engineered to further optimize the blender's performance.

Single wall jar: marked capacity is 1.4 L.

Dishwasher-safe.

Vented solid-seal lid with removable ingredient measuring cap (up to 60 ml)

Fits securely on the jar, minimizing spills when in use.

The lid is made out of silicon and is easy to remove and to clean.

BPA-free cap for measuring and adding ingredients during blending.

Dishwasher-safe

Asymmetric stainless steel blade

Sharpened and precisely angled to optimize power and blend performance.

Blends at 4 different angles.

3 mm thick hardened stainless steel blade.

Dishwasher-safe.

3 pre-recipe programs:

ice crush – icy drinks – smoothie

– **Ice crush setting:** blender runs at the optimal speed. It provides bursts of pulses from 600 RPM to 1000 RPM for 30 seconds, to allow the ice to settle into different positions and then go back to chopping at high speed.

– **Icy drink setting:** gradually ramps up to full power to blend hard food. The blender delivers perfect ice crushing results by starting at 6000 RPM for 10 seconds, 4000 RPM for 5 seconds, 12000 RPM for 10 seconds, 16000 RPM for 5 seconds to deliver fine, ice-crush consistency.

– **Smoothie setting:** takes the guesswork out of blending by providing the optimal time and speed needed to make delicious tasting smoothies. The blender will automatically operate at high speed of 14000 RPM for 45 seconds to tackle tough ingredients and deliver smooth, consistent results.

KitchenAid ARTISAN K400 Blender 5KSB4026

OPTIONAL ACCESSORIES*

1 x 200 ml BPA-free small batch jar including an airtight lid

KSB2042BBA

Convenient container storage, ideal for small batches/recipes from soups to sauces, dressings, marinades, to baby food, spreads and more.

All parts are dishwasher-safe.

1 L BPA-free citrus press 5KSB1CPA

Includes a gear assembly, juice container with pouring spout, pulp basket and reamer.

Enables automated fresh citrus juicing easily for limes, oranges, grapefruits, and more.

All parts are dishwasher-safe.

2 x 200 ml BPA-free small batch jars including airtight lids

BLENDER BOWL EXPANSION PACK
5KSB2040BBB

Set includes 2 bowls, 2 lids and 1 blade assembly to fit the blender base.

Ideal for small batches/recipes from soups to sauces, dressings, marinades, to baby food, spreads and more.

Conveniently blend and store in the same container.

All parts are dishwasher-safe.

1.4 L graded, ribbed glass jar

5KSB2048JGA

Square jar shape with enhanced inner ribs increase the turbulence and power inside the jar.

The raised inside corners force ingredients into the blending vortex and the beveled upper corners make pouring easy.

Designed and engineered to further optimize the blender's performance.

Single wall jar: marked capacity is 1.4 L.

Dishwasher-safe.

500 ml BPA-free dual-purpose personal jar with an easy-drink lid

KSB2032PJA

Is perfect in size for single servings or smaller recipes and handy to carry with you on the go, it can be converted into an on-the-go container.

All parts are dishwasher-safe.

1.6 L BPA-free plastic, ribbed, single wall jar with vented, solid-seal lid and removable ingredient measuring cap

5KSB2056JPA

To blend larger batches easily.

Dishwasher-safe (bottom rack).

500 ml BPA-free dual-purpose personal jar with an easy-drink lid

PERSONAL BLENDER JAR EXPANSION PACK
5KSB2030PJB

Includes 1 personal jar and 1 blade assembly. Is perfect in size for single servings or smaller recipes and handy to carry with you on the go.

First blend your smoothie then convert to an on-the-go container.

Is not suited to blend hot liquids.

All parts are dishwasher-safe.

BPA-free tamper KSB4048TPR

Goes easily through the lid to help mix ingredients and provide ultimate control. For large or ultra-thick blends.

Made out of plastic and rubber.

Dishwasher-safe.

Many times there will be no need to use the tamper as the blender delivers excellent performance but it will provide the ultimate control over the blend.

When it comes to high-speed blending, there are instances where an air pocket is formed over the blade, causing the ingredients to bridge. The tamper allows to quickly intervene and push ingredients into the blending vortex, allowing the blend to continue to optimal consistency. Large quantities, ultra-thick blends without liquid such as nut butter, hummus and sorbet, may require more tamper interaction.

*Only compatible with the KitchenAid blenders series K150 and K400.
