## NINJA DOUBLE STACK XL SL400EU 2-DRAWER AIR FRYER 9.5L

Wish you could fit a double air fryer in your kitchen, but running low on worktop space? Introducing the Ninja Double Stack XL 2-Drawer Air Fryer.

**30% SLIMMER\* WITHOUT COMPROMISING ON CAPACITY:** This double-drawer air fryer is perfect for large families, fitting a whole 1.4kg roast chicken in each 4.75L drawer. Perfect for feeding up to 8 people. At 38.5cm tall, it's designed to fit under cabinets.

**2X CAPACITY\*\* WITH DOUBLE STACK AIR FRY TECHNOLOGY:** Cook on 4 levels at once for evenly crispy results. Simply insert the included racks into each drawer to double your cooking surface.

**EVEN COOKING AND CRISPING ON 4 LEVELS:** each drawer has an individual heat source and rear fan, delivering 360° air circulation for all-over crispy results.

**2 INDEPENDENTLY CONTROLLED DRAWERS:** Mix and match different cooking functions, times and temperatures in each drawer. The SYNC functions ensures both drawers finish cooking at the same time.

**COOKING UP TO 55% FASTER THAN FAN OVENS\*\*\*,** Each drawer also includes a crisper plate to help the hot air surround your food and cook it to perfection.

**6 COOKING FUNCTIONS:** Air Fry your favourite foods using little to no oil - up to 75% less fat than traditional frying methods\*\*\*\*. More than an air fryer, you can also Roast, Bake, Dehydrate, Reheat, and cook from frozen to extra-crispy with Max Crisp.
